SOUTH MILWAUKEE PUBLIC LIBRARY

SMLIBRARY.ORG

Libby

To access FREE e-books, audiobooks, and e-magazines from Libby, you will need:

- Your library card & PIN number
- A mobile device or computer
- An Internet connection (to borrow and download items)

For more detailed instructions and up-to-date information on compatibility, visit the Libby Help page at help.libbyapp.com

How to install & use Libby

- Download Libby from your device's app store.
- Tap Menu (3 horizontal bars) and Add Library. You can search for the library by name, city, or zip code.
- Type your library card number and PIN number.
 - If you do not know your PIN number, stop by the library to reset it.
- Browse the various book carousels or tap the magnifying glass icon to search for a title.
- When prompted to check out a title or place a hold, sign in with your library card number and PIN.
- Borrowed titles appear on your Shelf and download to the app automatically when you're on Wi-Fi so you can read/listen to them when you're offline.

From your Shelf, you can:

- Tap Read Book, Play Audiobook, or Read Magazine to start reading or listening.
- Tap Manage Loan to see options like Renew, Return, or Send to Device (to send an e-book to Kindle remotely). Tap < Loans to return to the previous page.
- Tap Holds at the top of the screen to view items you currently have on hold.
- Tap Wait List to get more details about your place in line and a waiting time estimate.
- Tap Tags to view items you have previously tagged. Tags function to mark books to read. Tagging an item does not place it on hold.
- Tap Activity to see your account history.
- Tap the Libby icon to view app settings, access the Learn Libby tutorial, and get additional Help & Support.
